

Membership Recognition Program

The **South Carolina Yacht Club** would like to announce our **Membership Recognition Program!** This program provides a great opportunity to enhance the club experience and provide more personalized service among our membership.

We have partnered with EA Photography, a national portrait studio, to manage our club's Special Program, and they will provide an on-site photographer at the club **beginning July, 2019**. For more information on their company and experience, please visit their website at www.eaclubs.com.

For a quick overview the program, you may watch this 2 Minute Video: [Click Here for the Video](#)

To make this project successful, we recommend the following:

- Each member and their families participate.
- All participants wear business or dressy attire, long sleeves and darker colors are suggested.
- Schedule enough time to be photographed and make your selection immediately following the sitting.
- Since prime appointment times fill up quickly, please reschedule your sitting in advance, if needed, as a courtesy to other members.

To receive priority appointments, you may schedule an appointment online by click the following link: [Click Here to Schedule Your Appointment](#). Otherwise, please contact EA Photography via email at **MyClub@eaclubs.com** or by phone at **800-653-5766**. EA Photography will be reaching out to our members to confirm and help schedule your photography appointments.

If you are not interested in participating, please email their studio directly at the email noted above, so they can take your number off the list.

This endeavor is part of the continuing efforts of **South Carolina Yacht Club** management to provide our membership with the best possible services. Thank you for your participation and continued support of your club.

Please use this convenient form for your appointment and email to **MyClub@eaclubs.com** or fax to **866-590-7048**.
